

## 2017-2018 Suggested Supplies

It is important that students have the right tools with which to learn. Please make sure your students come prepared to learn on the first day of school. They should bring pens, pencils, and notebooks. It is regarded as an instructional day and will be provided with a course syllabus for all classes as well as homework on the first meeting. Please review the expectations on each syllabus with your student, helping them formulate a plan for high levels of achievement.

**A complete list will be given to the student on the course syllabus on the first day of class.**

**-Math:** A notebook with 300 pgs, pencils, Scientific Calculator, (TI30X or better). Geometry class, as well as all other classes, will need a ruler, protractor, and compass. Any classes beyond Geometry will need a graphing calculator (TI83 Plus or TI84)

**-English:** pens & pencils, spiral bound notebooks and folders

**-Art:** 3 - #2 pencils with erasers

**-Social Studies:** spiral notebook, loose-leaf notebook paper, notebook or binder, pens, pencils, colored pencils, an Atlas for 11th grade geography students and a calculator

**-Family and Consumer Science:** 1" spine 3-ring binder, 20 sheets of loose-leaf paper, pencils, pens, a highlighter

**-Health:** spiral notebook or lined paper, folder with pockets, pen or pencil

**-World Language:** pen or pencil, notebooks and folders, headphones

**-Industrial Technology:** pencils, notebook, folder

**-Science:** All science students should have a pencil or pen, notebook, folder and scientific or graphing calculator.

- Biology students need a 1" 3-ring binder and loose leaf paper instead of a notebook and folder.
- All chemistry and physics students will be required to purchase a lab notebook. The same notebook can be used for both courses.
- Chemistry students may be required to purchase safety goggles.
- Physical science and biology students may have the option to purchase safety goggles.
- Biotechnology students need a fine point Sharpie markers

We would also appreciate any donations you would be willing to make of facial tissue and hand sanitizer! These items can be brought to the high school office.
